2nd Uganda – EU Business Forum

The largest and most influential joint Uganda – European Union event on doing business and investing in Uganda.

This year's hybrid Business Forum - themed **“Mobilizing quality investments and boosting trade between Uganda and the European Union”** will explore a renewed commitment by both public and private sector stakeholders to **building stronger Uganda – European Union business, investment, and trade ties** as we emerge from unprecedented health and economic challenges.

Overview

Organised by the EU Delegation to Uganda and the Private Sector Foundation Uganda in partnership with the Government of Uganda, the Uganda – EU Business Forum 2022 will be the successor event to the successful First Edition organised in March 2020.

The two-day High-Level Business Forum will be a unique platform that will bring together Ugandan and European policymakers, public sector agencies, EU Member States embassies and consulates, private sector trade support institutions, business associations and Chambers of Commerce, captains of industries, financial and non-financial intermediaries, investors, development partners and donor agencies, academia and the civil society to network exchange experiences and explore win-win investment and trade opportunities.

Sector-focused High-Level Panel Discussions

Hear from Ugandan Ministers and senior public officials, EU and Member States Ambassadors and officials, CEOs of leading EU and Uganda companies and international experts on ways to develop and promote strategies to mobilize higher levels of quality investments and enhance trade to support sustainable and inclusive growth in Uganda.

The 15+ plenary and parallel sessions will focus on key sectors such as Agriculture & Agri-Business, Industry & Manufacturing, Tourism and Hospitality, Infrastructures & Energy, ICT & Creative Industries but also key bottlenecks to trade and investment between Uganda and the EU.

Call for investment projects and pitching sessions

100 bankable private sector projects will be selected to be showcased at the Business Forum to build stronger and lasting relationships between Ugandan and European investors and entrepreneurs. Short project briefs will be hosted on the Forum website for consultation prior to, during and after the Forum.

The [Sustainable Business for Uganda Platform \(SB4U\)](#), in partnership with the [Uganda Investment Authority \(UIA\)](#), [Uganda Export Promotions Board \(UEPB\)](#) and the [Uganda Green Enterprise Finance Accelerator \(UGEFA\)](#), will provide dedicated support mechanism to help set up and showcase investment projects. Customised business development support will be provided.

Workshops & side events

Interact with leading trade and business associations and Government agencies to get insights on promising sectors for investments, markets for exports and hear about business opportunities, government policies and success stories. A dedicated workshop will focus on how to export to the EU markets. The Forum provides a platform, per excellence, for networking and deal making.

**IN BUSINESS, FACE-TO-FACE MEETINGS ARE
RECOGNIZED AS THE BEST WAY TO DEVELOP STRATEGIC
AND TRUSTED RELATIONSHIPS.**

B2B & B2G Networking

Thanks to structured networking and matchmaking sessions, elevate your personal and organizational brand, discover new business partners, discover new investment opportunities or investors among the hundreds of trade and investment professionals.

One to one meetings (physical and online) will be arranged between Ugandan and EU companies, investors and public stakeholders. For the B2B meetings, appointments will be pre-scheduled as per the interest of the participants.

Exhibition Center (booths)

Booths will be available to showcase your company or organization to leading business and key Government officials and amplify your brand to the Uganda - EU business and investment community. A Tourist Boutique of genuine Ugandan products will be set up.

Opening Ceremony, Networking lunches, Gala Dinner & Farewell Cocktail
Upon personal invitations, we will welcome you to attend a series of networking side-events during the two-days of the Business Forum.

Pre & post-Forum Visits and Meetings in Uganda

The SB4U Platform is facilitating factory/site visits and meetings before and after the Business Forum.

WHAT ARE THE EXPECTED OUTCOMES?

- (a) To present the opportunities Uganda offers to local and EU investors, assembled under a roof, and connected virtually;
- (b) To present the export potential of Uganda to the EU markets;
- (c) To enable European investors to have a deeper understanding of the business environment and investment climate prevailing in Uganda - the legal, regulatory, administrative, and institutional frameworks involved in making investment happen in Uganda;
- (d) To provide a high-level platform for public-private dialogue and structured networking;
- (e) To showcase 100 viable private sector projects that can be showcased during the Forum
- (f) To allow for B2B matchmaking between local entrepreneurs with bankable investment projects and potential foreign investors/ financiers to foster sustainable and durable business relations.
