*Call for candidacies - Class 2018*

---

Dear Mr. Spachis,

The Call for candidacies for the **Class 2018** of the **Crans Montana Forum of New Leaders for Tomorrow** has started !

Through this Initiative, our Organization offers a decisive support to young decision-makers, coming from emerging countries, while giving them a free access to the Forums' activities for three years, in order for them to strengthen their international networks and promote their activity.

We would be pleased to receive your suggestions of new talents, from both private and public sectors, whose candidacies will be presented to our Selection Committee.

Curriculum Vitae, cover letters and recommendation letters have to be sent to [info@montana30.org](mailto:info@montana30.org) **prior to February 28, 2018**.

The new Members will be officially appointed in the framework of an Official Ceremony on the occasion of one of our future events. *Please note that the New Leaders are responsible for their transport and accommodation costs.*

I do hope to receive your precious recommendations and I wish to personally welcome you soon.

I look forward to hearing back from you and remain at your disposal should you need any further information.

Sincerely,

A handwritten signature in black ink is written over a circular stamp. The stamp contains the text "CRANS MONTANA FORUM" around the perimeter and "FONDATION POUR L'UNIVERSALE" in the center.
