

Recent Trends in Banking in sub-Saharan Africa

From Financing to Investment

The European Investment Bank (EIB) is the European Union's financing institution

Under its external mandates, the EIB helps to implement the financial pillar of the EU's foreign policy. It is active mainly in the pre-accession countries of South-East Europe, as well as in the neighbouring countries to the South and East. The Bank also operates in the African, Caribbean and Pacific countries and Asia and Latin America. Its financing activities are aimed at supporting local private sector development, improving social and economic infrastructure and climate change mitigation and adaptation.
